## Council for Ontario **Memorandum**

**TO: DISTRIBUTION**  
**FROM:** Don Smith, Provincial Cadet Officer  
**DATE:** 26 October 2001  
**RE: 2001 International Cadet First Aid Competition - Ontario Results**

---

It is with great pleasure that I congratulate the twenty two Cadet teams who participated this year in this annual International event. While it will be a number of weeks before receiving our International results; I am pleased to announce our Provincial results at this time. I hope that all divisions participating this year will encourage others of the importance of participating in training events like this one and urge them to join us next year.

Congratulations to all of our participating teams! In recognition of their distinguished effort, I would like to publicly recognize the top seven Ontario teams with only a 22 point spread between these top finishers. I wish 570 Oakville Cadets well as we wait for our International results.

1	570 Oakville Cadets
2	557 Midland-Pentanguishene Cadets - Team "BBoys"
3	504 Mississauga Cadets
4	406 Burlington Cadets - Team 2
5	406 Burlington Cadets - Team 1
6	333 North York Cadets - Team 1
7	874 Collingwood Cadets

I would remind all divisions that Cadets Online (<http://www.sja-ontario-cadets.org>) contains a collection of digital photos taken of this event at some of our venues this year. In addition, the competition problem set for this year and the last eleven years will be posted in our online competitions archive. I urge you to get a copy of Acrobat Reader so that you can take full advantage of all of our resources available online.
