Directive No.
04/96

Issued
01 October 1996

Supersedes

Subject

**UNIFORM SWEATER - GUIDELINES FOR ADULTS WEARING BADGES,
FLASHES AND AWARDS**

Direction

Effective October 1, 1996 adult Brigade members will be entitled to wear designated Badges, Flashes and Awards (including Orders, Decorations, Medals) on the Brigade uniform sweater. The designated Badges, Flashes and Awards, and their positions are outlined in the attached guidelines.

Medals which are normally worn on the left breast during ceremonial/formal occasions, are to be positioned on the sweater according to the attached guidelines. This same positioning will apply to the wearing of Ribbons. Detailed information regarding the wearing of Orders, Decorations and Medals is available from the Community Services (Brigade) Office at Provincial Headquarters upon request.

Until such time as the uniform sweater is modified to effectively stabilize Medals, we would encourage those wishing to wear Medals on the sweater, to have their Medal(s) court mounted and to stabilize the Medal pin/clasp with a backing (panel) of firm material positioned inside the sweater, behind the Medal(s).
